Transformar la economía de EU: el Green New Deal

ALEJANDRO NADAL

Una nueva propuesta de legisladores del Partido Verde. Pero a pesar de ser una propuesta de izquierda, el Green New Deal es una propuesta de derecha.

Ny grøn deal for byene

Miljøavtaler som skal gjøre norske byer bedre, renere og mer moderne, vakler nå under økende bompengemotstand.

Publisert 12. mars 2019

STOPPSTAND: Vi bør ikke gjøre den kløne-, miljø- og helsemessig nødvendige utrustning på skillettstrek og sykkel annerigg av en dyrtattoneiell finansieringsform, skriver innrønderne. ■ Ørjan Dørum

Legacies of the New Deal

- ▶ Welfare state
- ▶ Class compromise
- ▶ Profoundly exclusionary

National Proposals

National Proposals

Common components:

- ▶ Infrastructure spending
- ▶ Carbon taxes (?)
- ▶ Social spending
- ▶ Innovation/industrial policy

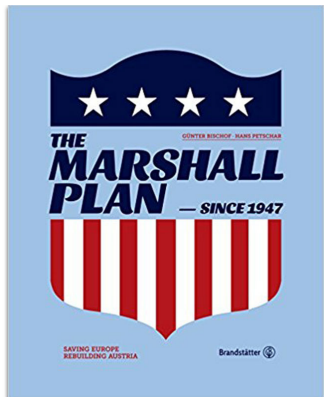

How can the GND be made global?

Historical precedents

A Global Green New Deal

Three sectors

- ▶ Skepticism over securitization, private capacity to lend
- ▶ State investment banks (UNCTAD)
- ▶ Green Climate Fund (?)
- ▶ Democratization of finance

- ▶ Risk
- ▶ Green finance
- ▶ Macroprudential policy

- ▶ Interdependent production
- ▶ Bank and state financing

But beware interdependence...

Raison d'état > Carbon mitigation
